There is no free parking
Parking on campus requires a permit or payment of visitor parking fees whenever the University is open, weekdays from 5 a.m. Monday until 10 p.m. Friday.

Parking is always tight at the beginning of each semester
Parking can reach near capacity during the first two weeks of the semester when nearly EVERYONE is on campus, attending class, buying books, paying tuition, etc. By the third week of classes, traffic and parking patterns settle down.

Parking areas closest to the academic center fill up early
- Peak parking demand occurs from 9 a.m. to 2 p.m., when the majority of classes are scheduled.
- Everyone wants to park as close as they can to main classroom buildings so competition for close-in parking at mid-morning is stiff.

Parking areas that fill up earliest are: East Deck 2, Union Deck, West Deck and Lot 7 (between Cone Deck and Belk Gym)

Use the mobile web parking planner, parkingavailability.uncc.edu
- See what’s available in the 10 campus decks (just not while driving). Data not yet available for surface lots.
- Availability count updates in real-time.

During peak class times, it’s usually faster and easier to park farther out and walk or take a campus bus to academic areas
- The campus bus system, Niner Transit, is a convenient way to get around campus.
- From North, South Village and CRI decks to academic center: by bus 7-8 minutes; walk time, 10-15 minutes.
- Even during peak-use hours, ample parking is typically available in areas away from the center of campus.
- Have a plan in mind for an alternate parking area if your first choice is full.

- Do a practice run. Park at a less-used parking area (like North Deck, CRI Deck or Lot 6) and locate the nearest bus stop. Then you’ll know exactly where to park and where to catch the bus if you don’t wish to walk.
- After you see how easy it is to get from where you’ve parked to where you’re going, it will be easy and familiar to park there on days when your favorite parking is full.

Two-day Commuter, per semester (either M/W, T/Th or other two-day combination)

- $230

Niner Transit Green and Gold routes

- Transit Gold route stop within 1/10 mile

- Alumni Center

- Walk-in lot with Niner Transit Gold route stop

- Virtual parking permits

Permission to park is virtual and verified through license plate recognition or LPR.

Based on the type of permit you buy, parking privileges are assigned to your UNCCMyPark account, and verified through vehicle license plate information. Additionally, your 49er ID card serves as a secondary credential.

Regular Permit Fees

- $480 . . . Full year beginning with fall semester
  - (Faculty/Staff and Student)
- 205 . . . Two-day Commuter, per semester (either M/W, T/Th or other two-day combination)
- 300 . . . One semester, fall or spring (F/S and Student)
- 160 . . . Night Students, per semester
  - (Fall, Spring or Summer)
- 195 . . . Partial year beginning summer term (F/S and Student)
- 160 . . . Premium gate access (F/S only)

Discount Remote Parking

Money-saving options for those willing to park farther out. Quantities limited.

- Commuters and Faculty/Staff only
  - $360 . . . Lot 6A, corner of John Kirk and Cameron.
  - Served by Niner Transit Silver route.
  - 225 . . . Lot 27 on Toby Creek Rd., near Harris Alumni Center.
  - A walk-in lot with Niner Transit Gold route stop within 1/10 mile.

Available only to Commuters

- $360 . . . North Deck annual permit
  - . . . Niner Transit Green and Gold routes stop nearby at light rail station.
- 230 . . . North Deck fall or spring semester permit.

Motorcycle/Moped Permits

Motorcycles and mopeds parking on campus must be registered with PaTS and will receive a virtual permit linked to the vehicle’s license plate. The permit allows parking in designated motorcycle/moped spaces.

- $125 . . . Full academic year in designated moped/motorcycle parking.
- 78 . . . Semester, fall or spring in designated moped/motorcycle parking.
- 52 . . . Partial year beginning summer term in designated moped/motorcycle parking spaces

Motorcycle/moped parking spaces are indicated on parking map with a brown icon.

If a motorcycle/moped rider prefers to park in a standard parking space, they must purchase a virtual permit at the regular permit price.

What’s required to purchase a permit

- NinerNet login
- License plate number
- Vehicle description
- Debit/credit card

VIRTUAL PERMIT TYPES
Each virtual permit has corresponding permissions that assign where and when the vehicle may park. The permissions are linked to the owner's account and verified via state-issued license plate and 49er ID Card.

Commuter
Available only to Commuter students
Permit is valid on campus 24/7 in all yellow and orange color coded areas. Access granted in Lot 15 and Cone Deck at 6 p.m.

Two-Day Commuter Permit
Available only to Commuter students
An economical option for Commuters who are only required to be on campus two days a week. Valid for one semester, only on the days specified, in all yellow and orange color coded areas. On all other weekdays, these Commuters must pay to park in Visitor Decks or at meters, even after 6 p.m.

Night
Available only to Faculty/Staff and Commuter students
Valid between 3 p.m. and 8 a.m., in all yellow and orange color coded areas. Access granted in CRI Deck at 3 p.m.; Lot 15 and Cone Deck at 6 p.m.

Resident
Available only to on-campus resident students
Resident permit is valid 24/7 in all blue and orange color coded areas. Access granted in Lot 15, Cone Deck and CRI Deck and the lower level of Union Deck at 6 p.m.

Greek Village
Available only to residents assigned to Greek Village
Greek Village permit is valid 24/7 in Greek Village and orange color coded areas. Access granted in Lot 15, Cone Deck and CRI Deck 1 after 6 p.m.

Lot 6A*
Available only to Faculty/Staff and Commuter students
6A permit is valid 24/7 in parking Lot 6A on Cameron Blvd. (by John Kirk Rd.). This is a discounted lot served by the Silver campus bus.

Lot 27*
Available only to Faculty/Staff and Commuter students
L27 permit is valid 24/7 in parking Lot 27 on Alumni Way near the Harris Alumni House. Lot 27 is a walk-in discounted parking lot, not directly served by campus buses. (Stop on Alumni Way near Harris Alumni House, ± 1/10 mi. walk.)

North Deck*
Available only to Commuter students
Valid only in North Deck and available annually or by the semester. Niner Transit Green and Gold routes stop nearby by light rail.

*Discount remote permits may be upgraded to a Commuter permit for use during summer, May 20 - August 14, for an additional fee.

Faculty/Staff
Available only to Faculty/Staff
Faculty/Staff permits are valid on campus 24/7 in green Faculty/Staff lots, yellow and orange Commuter areas, and blue Resident-designated lots except Lot 16.

Faculty/Staff gated parking access is granted only to those who have also paid for premium gated F/S access.

STUDENT PARKING AT CENTER CITY BUILDING (CCB)
UNC Charlotte Center City requires specific parking credentials which are assigned to students registered for classes there as determined by class schedule listed in Banner.

CCB does not have separate parking dedicated to the building. The University has negotiated an arrangement with Preferred Parking, Inc., for Faculty/Staff and Student parking.

All Center City permits are correspondingly valid on main campus.

Full Time Permit with Center City Permissions
Commuter annual permit with Center City permissions . . . . $480
This is a full-time permit, valid at Center City, weekdays, 6:30 a.m. - 11 p.m. and also valid as a regular full-time permit on main campus. If you have classes at both locations, you only need to buy one permit. Center City privileges will update each semester, based on class schedule.
Resident students may purchase a CCB permit or add CCB credentials to an R permit if they have CCB classes.

Commuter Fall or Spring semester w/Center City permissions ............................................. $300
Commuter Summer w/ Center City permissions ................................................................. 195
Commuter Summer 1 session w/Center City permissions .................................................. 120

Night Commuter Permit with Center City Permissions
Valid at Center City nightly 3 p.m. - 11 p.m. and on main campus as a Night permit, 3 p.m. - 8 a.m.
Yearly beginning with Fall semester w/Center City permissions ........................................... $290
Privileges will update each semester, based on class schedule

Fall or Spring or both Summer sessions w/Center City permissions ...................................... 160
One Summer session only ................................................. 98

Two-Day Permit with Center City Permissions
Semester permit valid for two weekdays (6:30 a.m. - 11:00 p.m.) as selected at time of purchase. Valid on main campus for those same two selected weekdays.

Two-day Commuter, per semester .......................... $205

DISABILITY PARKING
Both UNC Charlotte virtual parking permit credentials and a disability placard are required in ADA spaces in all decks and lots. Payment is still required with a placard at meters and Visitor areas.

ADA Parking at Center City is currently provided by Preferred Parking, Inc., in the 625 N. Brevard Street lot.* Both a UNCC parking permit and disability placard are required.

Disability placards are registered to people, not vehicles. It is unlawful to use a placard not registered to you.

*Due to construction of a deck, parking at Center City Bldg. is subject to change. Updates at pats.uncc.edu.

**REMEMBER...**

If license plate recognition fails for any reason, the chip within your 49er ID card serves as a secondary credential. Just tap and hold your card on the equipment column until it beeps. So, don’t forget to have your 49er ID card with you just in case!

**NEED TO PARK NEAR A BUILDING TO LOAD OR UNLOAD?**

For short-term loading, call 704-687-0161 with your vehicle information and location. In most cases, you will be given 15 minutes.

**PERMIT FAQ**

Where can I purchase a virtual parking permit?

Parking credentials may be purchased online or in person at the PaTS Office (#92 on campus map). Office hours are Monday-Friday, 8 a.m. – 5 p.m. with extended hours at the beginning of each semester; hours posted on the website.

What if I have to wait on financial aid refund until I can buy a permit?

If you’re unable to purchase a permit before classes and permit enforcement begins, you may set up your online UNCCMyPark account and buy temporary, single-day permits for as many days as you need. Price is $8 per day.

What should I do if I change cars?

Simply log-in to the UNCCMyPark account and update your vehicle information. Your virtual parking permit will then be valid for that vehicle. Vehicles associated with customer accounts must follow the guidelines stated in the Parking Ordinance Section 2-1(5).

If online access is not readily available, you can always contact our PaTS Communication Center at 704-687-0161 and they can assist with updating your account.

home-game weekends are the exception; then, all vehicles must have a valid UNC Charlotte permit or display a valid Game Day event permit.

Why doesn’t PaTS sell three-days-per-week permits?

A three-day permit would yield the consumer no appreciable savings. Those with three-days per week class schedules will find it more cost effective to purchase the annual or semester permit, plus they’ll have the added benefit of permission to park on campus throughout the week.

What should I do if I change cars?

Simply log-in to the UNCCMyPark account and update your vehicle information. Your virtual parking permit will then be valid for that vehicle. Vehicles associated with customer accounts must follow the guidelines stated in the Parking Ordinance Section 2-1(5).

If online access is not readily available, you can always contact our PaTS Communication Center at 704-687-0161 and they can assist with updating your account.
Permit FAQ continued

What should I do if I temporarily need to drive another car to campus?

There are two ways to temporarily link your parking permissions to the license plate of a temporary vehicle (such as a rental car):

1. Call the PaTS Communication Center to temporarily add the vehicle to your account.
2. You may also add the temporary vehicle yourself through the UNC-CMyPark account, as long as the following requirements are met:
   - The maximum number of vehicles on the account has not yet been reached;
   - The temporary vehicle is associated with the account holder as stated in Section 2-1(5) of the UNC Charlotte Parking Ordinance;
   - The temporary vehicle is not already linked to another account;
   - IMPORTANT NOTE: The vertical green bar next to your vehicle type designates that the vehicle is properly associated with your credential.

If you’ve added the temporary vehicle information yourself, remember to remove it from your account when finished driving that vehicle. Otherwise, future parking citations associated with that vehicle may continue to be linked to your account. If temporary vehicle was a rental, please call or email PaTS to ensure its deletion.

Are there special permits for motorcycles and mopeds?

Motorcycles and mopeds also have virtual permits and may be registered alone or added to a multi-vehicle permit. Only one vehicle registered to that permit is allowed on campus at a time. Call 704-687-0161 or visit the PaTS Office for further details.

Are there special permits for carpooling?

Yes, and every car in the carpool must be specifically registered as such with PaTS. Each carpool uses a single carpool virtual permit with multi-vehicle registration. For more information about carpools, call 704-687-0161. Looking for carpool partners? ShareTheRideNC.org offers free carpool matching.

May I back into a parking space?

No, not unless your vehicle is registered in a state which provides both front and rear plates or if you purchase and properly install a custom front license plate from PaTS. The LPR-readable front plate option will have your state-issued plate number printed onto a UNC Charlotte plate. Price is $20. You do not have to pay to renew the plate when your permit expires unless/until the state-issued rear plate number changes.

To place an order for a front plate, order your permit online. Then email pats@uncc.edu with the subject, “front plate.” Be sure to state the license plate numbers(s) of the vehicle(s) to which you are adding the front plate(s). You will be notified by email when the option to pay for the front plate(s) is available to you in the MyPark portal.

All vehicle plates must be properly mounted using the vehicle manufacturer's mounting location.

Am I permitted to register more than one vehicle on my account?

Yes. Faculty/Staff may register up to three vehicles on their account at any given time; students may register up to two. However, only one vehicle per account may be parked on campus at the same time (unless parked in a visitor parking area) and vehicle registration must comply with Parking Ordinance Section 2-1.

May I add my roommates vehicle to my virtual permit account?

No one may register a vehicle not owned by that individual, their spouse, parent or guardian, or assigned to the individual by their employer (proof of employment required).

How are the proceeds from permits spent?

The majority of the permit proceeds and Visitor Parking fees go toward:
- Construction of new decks and paying debt on existing decks
- Repairs and maintenance of all decks and lots
- Utilities to light the decks and lots
- Technology to enhance the customer experience
- Personnel

Is it true that more permits are sold than the University has spaces?

Yes. If permits were sold on a one-to-one-ratio, thousands would be denied the privilege to park while lots and decks would be half empty. Few students occupy a space for more than five or six hours a day, and not everyone works or has classes daily. Parking spaces turn over constantly. Close-in parking is at a premium during weekday hours but overall, an acceptable percentage of open spaces are maintained on campus.

FAQ ABOUT CITATIONS

Where do I pay citations?
Citations may be paid online, by mail, or in person at the PaTS Office. The first citation in an academic year, if paid within 10 business days from date of issue, is automatically reduced by 50% unless citation was for:
• forged, altered or stolen credential or physical permit
• failure to pay visitor parking fee
• parking in or blocking access to space or accessibility ramp for the disabled
• tampering with parking equipment
All subsequent penalties must be paid at full value.

What if I don’t agree with the citation?
A written appeal must be filed within ten (10) business days. The form link is included on your e-citation and also available at pats.uncc.edu/citations. Submit online or in person. Please allow 24 hours from time of issuance to file appeal. All appeals are read and considered; decisions are emailed.

How are the proceeds from citations spent?

According to North Carolina law, the University is only allowed to retain 20% of the money collected from parking citations. The remaining 80% must be remitted to the state to support local public schools (elementary, middle and high schools).

The 20% that UNC Charlotte is allowed to keep is earmarked to cover operating costs for citation collections. Unfortunately, the cost of the enforcement and collections program significantly exceeds this amount.

Can I park at a malfunctioning meter?
Sorry, no, you may get a ticket for that. Move your vehicle to another meter and please report the malfunction to Parking and Transportation Services, 704-687-0161.

Will I lose my parking privileges if I get too many tickets?
PaTS has the authority to boot or tow a vehicle if citations total four (4) or more, if the combination of unpaid deck vouchers and citations totals seven (7) or more, or if unpaid fees or fines is $250 or more. In those cases, parking privileges are revoked and the vehicle is on a Tow List until the account is cleared.

I wasn’t driving my car at the time of the citation. Do I have to pay it?
The person to whom a permit is issued is responsible for any violations that occur while the car is parked on campus.

PARKING AND TRANSPORTATION SERVICES AND THE UNIVERSITY GAIN NO FINANCIAL BENEFIT FROM CITATION FINES

FOOTBALL HOME GAME PARKING

Here’s what you should expect:
• Parking will be at a premium for all six home games: Aug. 29, Sept. 14, Sept. 28, Oct. 26, Nov. 2, Nov. 23.
• All campus entrances close five (5) hours prior to kickoff, except for two: Main entrance off University City Blvd. and East entrance off John Kirk Rd.
• Game day entrances open to game day permit holders four (4) hours prior to kickoff at the designated entrance for their permit.
• On the Monday prior to a game day, signs are placed in all tailgating lots and parking decks notifying of closure for football parking.
• Vehicles parked in football parking areas after midnight before a game day will be towed at the owner’s expense.

ALL game parking requires a specific game day permit
• Single game day permits available online for Union, West, North and CRI decks at uncc.clickandpark.com
• Cash parking in Cone Deck (Pink), $20 per vehicle.
• ADA parking permits will be available through Click and Park for CRI Deck. Both an Orange CRI ADA game day permit and a state-issued disability placard must be presented for admittance.
• Parking permits will be scanned or collected upon entry to the parking area; reentry is not permitted.

Student tailgating and parking
• Student tailgating is in designated student lots and available on a first-come, first-served basis.
• To obtain a student tailgating permit, go to uncc.clickandpark.com the Tuesday before game day, using the student ID number as a validation code. There is no charge for a student tailgating permit.
• Students who do not have a UNCC parking permit are required to park in East 1 Visitor Deck or South Village Deck and pay the associated Visitor fee.
• Students needing ADA parking may obtain an Orange ADA permit for CRI Deck in lieu of the Navy tailgating permit. Only one permit will be issued per game. Both an Orange CRI Deck ADA permit and a state-issued disability placard must be presented for admittance.

Tailgating areas are subject to change and may vary for evening games. Check website for updates.

Non-football parking information
• East Deck 2, East Deck 3, and South Village Deck are open to those with valid UNCC parking permits who are not attending the game.
• Faculty/Staff, Commuter or Resident permits are not valid in decks or lots designated for football parking.
• Faculty/Staff reserved spaces are not valid in football-designated lots on home game days.
• East Deck 1 and South Village Deck are the non-game Visitor parking area. Visitor rates apply.

Additional information for resident students
• Resident Lot 25 is designated for football parking. No other resident lots are affected.
• All vehicles parked in Lot 25 must be moved by midnight the evening before a home game or are towed at the owner’s expense. Alternate parking is any other R-designated Lot or Deck.
• Tell friends/relatives who plan to visit during home football game days, to park in East Deck 1 or South Village Deck visitor parking unless they have a game day permit or park in the cash lot at Cone Center. Those who park in East Deck 1 or South Village Deck will need to pay Visitor fees. Special rates may apply, including on weekend home game days.

Niner Transit buses will provide service along a designated route during football games.

Students

Your CATS all-access transit pass is included in the Miscellaneous Transportation Service Charge. You do not need to take any action to activate your pass. This applies to most enrolled students, excluding those enrolled exclusively in distance-learning classes. Distance-learning students should visit pats.uncc.edu/lightrail for information on obtaining a pass.

Faculty and Staff

• Permanent Faculty and Staff may buy passes for academic year 2019-20 for $75. Purchase may be made via payroll deduction or credit card through your MyPark account, the same system through which parking permits are ordered. Purchases made via payroll deduction will be post-tax.

• Temporary employees, faculty emeriti, business affiliates and campus partners, see pats.uncc.edu/lightrail for all-access transit pass information specific to you.

Pass Details

• The CATS all-access transit pass includes unlimited, fare-free rides on the CATS LYNX light rail, streetcar, Special Transportation Service (STS), and both local and express bus routes.

• More information on the light rail schedule and bus schedules is available on the CATS website.

• Your 49er ID card will serve as your ticket for all transportation methods. Just show and go on the train and tap and go on the bus. It may take up to 72 hours for passes to become active on newly issued or reissued 49er ID cards.

• Passes are active August 15, 2019 - August 14, 2020. The all-access transit pass is not available to family members, alumni or retirees (other than faculty emeriti). Individual light rail tickets may be purchased via the CATS mobile app or at a ticket vending machine located at train stations. See website for more information.

Niner Paratransit offers service via multiple hubs

Monday - Friday ............................ 7 a.m. - 2 a.m.

Niner Paratransit service provides disability transport throughout campus for those with ongoing mobility impairments who have registered for the service. Preregistration required. Medical verification request form found at pats.uncc.edu/paratransit.

Niner Paratransit is also available to those who need assistance on a temporary basis (e.g. recent surgery, lower limb injuries, visual impairments, chronic diseases that impact mobility) also arranged through the Office of Disability Services, Fretwell 230 (704-687-4355). After completion of the required form, Disability Services will verify and send email confirmation of eligibility, usually within 24 hours.

There are over 50 pick-up/drop off locations all over campus, including administration, academic, residence buildings and near parking decks. A complete list of pick-up and drop off locations is on the website.

Paratransit is not emergency transport; call 911 for ambulance service.

Does not run when campus is closed. Hours and pick-up locations may change in response to construction closures and detours. Updates on the website and through Twitter.
