PARKING TIPS
There is no free parking.
Parking on campus requires a permit or payment of visitor parking fees whenever the University is open, weekdays from 5 a.m. Monday until 10 p.m. Friday.

Parking is always tight at the beginning of each semester.
Parking can reach near capacity during the first two weeks of the semester when nearly EVERYONE is on campus to attend class, buy books, pay tuition, etc. By the third week of classes, traffic and parking patterns settle down.

Parking areas closest to the academic center fill up early.
- Peak parking demand occurs from 9 a.m. to 2 p.m., when the majority of classes are scheduled.
- Everyone wants to park as close as they can to main classroom buildings, so competition for close-in parking at mid-morning is stiff.

Parking areas that fill up earliest are: East Deck 2, Union Deck, West Deck and Lot 7 (between Cone Deck and Belk Gym)

Use the parking planner, parkingavailability.uncc.edu.
- See what’s available in the 10 campus decks (just not while driving). Data not yet available for surface lots.
- Availability count updates in real time.

During peak class times, it’s usually faster and easier to park farther out and walk or take a campus bus to academic areas.
- The campus bus system, Niner Transit, is a convenient way to get around campus.
- From North, South Village and CRI decks to the academic center, it is a 7-8 minute bus ride or a 10-15 minute walk.
- Even during peak-use hours, ample parking is available in areas away from the center of campus.
- Have a plan in mind for an alternate parking area if your first choice is full. Do a practice run. Park at a lesser-used parking area, like North Deck, CRI Deck or Lot 6, and locate the nearest bus stop. Then you’ll know exactly where to park and where to catch the bus.
- There’s NO REASON to park illegally in a full lot or deck and risk getting a citation.
- There’s NO REASON to circle a deck until you’re late for class. When a deck is full, it will likely stay that way for a few hours.

TRAFFIC TIPS

Peak traffic times are 7:45 a.m. to 9:15 a.m. and 5 p.m. to 6 p.m.

PARK ONCE! Driving from one area of campus to another makes traffic worse. It’s easier and usually faster to take the campus bus, walk or bike.

- If leaving campus between 5 and 6 p.m., avoid exiting to John Kirk Dr. by way of Van Landingham Rd., near Fretwell. Try using Mary Alexander Rd. to Mallard Creek Church Rd. or the bottom level of East Deck 2 that exits directly to Rt. 49 South (University City Blvd.).
- If arriving on campus between 5 and 6 p.m., avoid the John Kirk Drive entrance at Van Landingham Rd., near Fretwell. Enter campus by using Cameron Blvd., the front entrance, Mary Alexander Rd., or the bottom level of East Deck 2 from Rt. 49 South (University City Blvd.).
- Pedestrians have the right-of-way at all crosswalks on campus unless there is a traffic signal, which takes precedence. The traffic circle at Mary Alexander and Van Landingham Roads and the crosswalk in front of the Student Union are controlled by a traffic signal, which must be obeyed by both pedestrian and vehicular traffic.

VISITOR PARKING

There are five visitor decks on campus: Cone Visitor (Deck 1 Level 3 and Deck 2 Level 2); Union Deck Visitor (Levels 4-6); East Deck 1; CRI Deck; South Village Deck.

Visitor parking deck fees
- $5 for first hour, $2 each additional hour, $15 maximum daily/per visit
- Visitor decks accept validated tickets, cash, credit card and mobile payment.

How to use a pay-on-foot station
- Take a timed ticket at entrance gate. Keep the ticket with you. (*Lost ticket or no form of payment incurs a $20 fee.*)
- Just before returning to your car, insert the timed ticket into the pay-on-foot station, and pay the amount due indicated on the screen. Cash (no coins) and card payments are accepted. Your ticket will be credited and you’ll have 10 minutes to proceed to exit lane in your vehicle.
- Scan ticket at the exit verifier; the gate will raise.

Pay-by-plate parking
- Offered in Lots 4 (by East Deck 3) and Lot 30 (front of Cone Center).
- Pay-by-plate parking is limited and fills quickly.
- Pay-by-plate parking areas are enforced 24/7, except when the University is closed.
- Time limits vary by location; times are posted.

How to use a pay-by-plate station

Pay via smartphone with the Parkmobile app
- Parkmobile can send an alert when your allotted time is nearing an end.
- Time can be extended through the app.
- Parkmobile instructions: pats.uncc.edu/parkmobile.

ADA visitor parking for disabled visitors
- Lot 28 (by Robinson) and Lot 30 (by Reese) offer pay-by-plate with Parkmobile.
- East Deck 1; Union Deck; Cone Deck; CRI Deck; South Village Deck, all with pay-on-foot stations.

Get the Parkmobile app

VIRTUAL PARKING PERMITS

Permission to park is virtual and verified through license plate recognition, or LPR.

Based on the type of permit you buy, parking privileges are assigned to your UNCCMyPark account and verified through vehicle license plate information. Additionally, your 49er ID Card serves as a secondary credential.

- NinerNet login
- Vehicle description
- License plate number
- Debit/credit card

Order at mypark.uncc.edu
VIRTUAL PERMIT TYPES
Each virtual permit has corresponding permissions that assign where and when the vehicle may park. The permissions are linked to the owner's account and verified via state-issued license plate and 49er ID Card.

Commuter
Available only to Commuter students
Permit is valid on campus 24/7 in all yellow and orange color-coded areas. Access is granted in Lot 15 and Cone Deck at 6 p.m.

Two-Day Commuter Permit
Available only to Commuter students
An economical option for Commuters who are only required to be on campus two days a week. Valid for one semester, only on the days specified, in all yellow and orange color-coded areas. On all other weekdays, two Commuters must pay to park in Visitor Decks or at meters, even after 6 p.m.

NC
Available only to Faculty/Staff and Commuter students
Valid between 3 p.m. and 8 a.m., in all yellow and orange color-coded areas. Access granted in Lot 15, Cone Deck and CRI Deck and the lower level of Union Deck at 6 p.m.

Resident Permit
Available only to on-campus resident students
Resident permit is valid 24/7 in all blue and orange color-coded areas. Access granted in Lot 15, Cone Deck and CRI Deck and the lower level of Union Deck at 6 p.m.

Greek Village
Available only to residents assigned to Greek Village
Greek Village permit is valid 24/7 in Greek Village and orange color-coded areas. Access granted in Lot 15, Cone Deck, CRI Deck and the lower level of Union Deck after 6 p.m.

Lot 6FS*
Available only to Faculty/Staff
6FS permit is valid 24/7 in designated area of parking Lot 6 on Cameron Blvd. (by John Kirk Rd.). This is a discounted lot served by the Silver campus bus.

Lot 27*
Available only to Faculty/Staff and Commuter students
L27 permit is valid 24/7 in parking Lot 27 on Alumni Way near the Harris Alumni House. Lot 27 is a walk-in discounted parking lot, not directly served by campus buses. (Stop on Alumni Way near Harris Alumni House, ± 1/10 mile walk.)

North Deck*
Available only to Commuter students
Valid only in North Deck and available annually or by the semester. Niner Transit Green and Gold routes stop near light rail.

Faculty/Staff
Available only to Faculty/Staff
Faculty/Staff permits are valid on campus 24/7 in green Faculty/Staff lots, yellow and orange Commuter areas, and blue Resident-designated lots except Lot 16.
Faculty/Staff gated parking access is granted only to those who have also paid for premium gated F/S access.
F/S Center City parking privileges are available online to F/S working at CCB. This must be requested at time of purchase.

WHERE TO PARK?!
Use the mobile web parking planner, parkingavailability.uncc.edu.

- See what’s available in the 10 campus decks (just not while driving).
- Availability count updates in real time. Data is not yet available for surface lots.

STUDENT PARKING AT CENTER CITY BUILDING (CCB)
UNC Charlotte Center City requires specific parking credentials which are assigned to students registered for classes there as determined by class schedule listed in Banner.
CCB does not have separate parking dedicated to the building. The University has negotiated an arrangement with Preferred Parking, Inc., for Faculty/Staff and Student parking.
All Center City permits are correspondingly valid on main campus.

Full-time permit with Center City permissions
Student annual permit w/CCB permissions .................. $480
This is a full-time permit (Commuter or Resident), valid at Center City, weekdays, 6:30 a.m. - 11 p.m. and also valid as a regular full-time permit on main campus. If you have classes at both locations, you only need to buy one permit. CCB privileges will update each semester, based on class schedule.
Student fall or spring semester w/CCB permissions .... $300
Student summer w/CCB permissions ....................... $195
Student one session summer w/CCB permissions .......... $120

Night Student Permit with Center City Permissions
Valid at Center City nightly 3 p.m. - 11 p.m. and on main campus as a Night permit, 3 p.m. - 8 a.m.
Yearly beginning with fall semester w/CCB permissions . $290
Privileges will update each semester, based on class schedule.
Fall or spring or two summer sessions w/CCB permissions . $160
One summer session ......................................... $98

Two-Day Permit with Center City Permissions
Semester permit valid for two weekdays (6:30 a.m. - 11 p.m.) as selected at time of purchase. Valid on main campus for those same two selected weekdays.
Two-day Commuter, per semester ......................... $205

Parking enforcement at Center City is under the administration of Preferred Parking, Inc. PaTS has no enforcement or appeals authority over CCB parking.

DISABILITY PARKING
Both UNC Charlotte virtual parking permit credentials and a disability placard are required in ADA spaces in all decks and lots. Payment is still required with a placard at meters and Visitor areas.
ADA Parking at Center City is currently provided by Preferred Parking, Inc., in the 625 N. Brevard St. lot.* Both a UNCC parking permit and disability placard are required.
Disability placards are registered to people, not vehicles. It is unlawful to use a placard not registered to you.
*Parking at Center City Bldg. is subject to change. Updates at pats.uncc.edu/parking/center-city-parking

PaTS Communication Center 704-687-0161
Open 24 hours weekdays, Monday 5 a.m. - Friday 10 p.m., or email pats@uncc.edu
If license plate recognition fails for any reason, the chip within your 49er ID card serves as a secondary credential. Just tap and hold your card on the equipment column until it beeps. So, don’t forget to have your 49er ID card with you just in case!

### PERMIT FAQ

Where can I purchase a virtual parking permit?

Parking credentials may be purchased online or in person at the PaTS Office (#92 on campus map). Office hours are Monday-Friday, 8 a.m. to 5 p.m. with extended hours at the beginning of each semester; hours posted on the website.

What if I have to wait on financial aid refund until I can buy my permit?

If you’re unable to purchase a permit before classes and permit enforcement begins, you may set up your online UNCCMyPark account and buy temporary, single-day permits for as many days as you need. Price is $8 per day. When you’re ready to get an annual or semester permit, complete the permit purchase through the website and your parking permissions will be updated immediately.

Where can I park without a permit?

Visitor decks and pay-by-plate parking areas are the only places where vehicles without permits may park. Mobile payment through the Parkmobile app may be used.

Are permit refunds available if I withdraw from or leave the University?

Usually, yes. You will need to visit the PaTS office to deactivate your permit, confirm your parking privilege cancellation and take care of any outstanding fees on your account; then a prorated refund for the remaining value will be issued. Night permits may not be refunded after the second week of class that semester. For more information, see the refund schedule at pats.uncc.edu/refunds.

I’m graduating in December. May I buy a permit just for fall semester?

Yes! Students have the option to purchase a permit by the semester. Note, however, that if you plan to be on campus the entire academic year (and possibly a summer session or two), it is less expensive to purchase the annual permit.

Are permits required on weekends?

Permits are required at all times, but currently not enforced on weekends between 10 p.m. and 5 a.m. Monday. Football home-game weekends are the exception; then, all vehicles must have a valid UNC Charlotte permit or display a valid Game Day event permit.

Why doesn’t PaTS sell three-days-per-week permits?

A three-day permit would yield the consumer no appreciable savings. Those with three-days per week class schedules will find it more cost effective to purchase the annual or semester permit, plus they’ll have the added benefit of permission to park on campus throughout the week.

What should I do if I change cars?

Simply log into your UNCCMyPark account and update the vehicle information. Your virtual parking permit will then be valid for that vehicle.
Vehicles associated with customer accounts must follow the guidelines stated in the Parking Ordinance Section 2-1(5).

If online access is not readily available, you can always contact our PaTS Communication Center at 704-687-0161, and they can assist with updating your account.

What should I do if I temporarily need to drive another car to campus?

There are two ways to temporarily link your parking permissions to the license plate of a temporary vehicle (such as a rental car):

1. Call the PaTS Communication Center to temporarily add the vehicle to your account.
2. You may also add the temporary vehicle yourself through the UNC-CMyPark account, as long as the following requirements are met:
   - The maximum number of vehicles on the account has not yet been reached;
   - The temporary vehicle is associated with the account holder as stated in Section 2-1(5) of the UNC Charlotte Parking Ordinance;
   - The temporary vehicle is not already linked to another account;
   - IMPORTANT NOTE: The vertical green bar next to your vehicle type designates that the vehicle is properly associated with your credential.

If you’ve added the temporary vehicle information yourself, remember to remove it from your account when finished driving that vehicle. Otherwise, future parking citations associated with that vehicle may continue to be linked to your account. If temporary vehicle was a rental, please call or email PaTS to ensure its deletion.

Are there special permits for motorcycles and mopeds?

Motorcycles and mopeds also have virtual permits and may be registered alone or added to a multi-vehicle permit. Only one vehicle registered to that permit is allowed on campus at a time. Call 704-687-0161, or visit the PaTS Office for further details.

Are there special permits for carpools?

Yes, and every car in the carpool must be specifically registered as such with PaTS. Each carpool uses a single carpool virtual permit with multi-vehicle registration. For more information about carpools, call 704-687-0161. Looking for carpool partners? ShareTheRideNC.org offers free carpool matching.

May I back into a parking space?

No, not unless your vehicle is registered in a state which provides both front and rear plates or if you purchase and properly install a custom front license plate from PaTS. The LPR-readable front plate option will have your state-issued plate number printed onto a UNC Charlotte plate. Price is $20. You do not have to pay to renew the plate when your permit expires unless/until the state-issued rear plate number changes.

To purchase a front plate, order your permit online. Then email pats@ uncc.edu with the subject, “front plate.” Be sure to state the license plate number(s) of the vehicle(s) to which you are adding the front plate(s). You will be notified by email when the option to pay for the front plate(s) is available to you in the MyPark portal.

All vehicle plates must be properly mounted using the vehicle manufacturer’s mounting location.

Am I permitted to register more than one vehicle on my account?

Yes. Faculty/Staff may register up to three vehicles on their account at any given time; Students may register up to two. However, only one vehicle per account may be parked on campus at the same time, unless parked in a visitor parking area. Vehicle registration must comply with Parking Ordinance Section 2-1.

May I add my roommates vehicle to my virtual permit account?

No one may register a vehicle not owned by that individual, their spouse, parent or guardian, or assigned to the individual by their employer (proof of employment required).

How are the proceeds from permits spent?

The majority of the permit proceeds and Visitor Parking fees goes toward:
- Construction of new decks and paying debt on existing decks
- Repairs and maintenance of all decks and lots
- Utilities to light the decks and lots
- Technology to enhance the customer experience
- Personnel

Is it true that more permits are sold than the University has spaces?

Yes. If permits were sold on a one-to-one-ratio, thousands would be denied the privilege to park while lots and decks would be half empty. Few students occupy a space for more than five or six hours a day, and not everyone works or has classes daily. Parking spaces turn over constantly. Close-in parking is at a premium during weekday hours but overall, an acceptable percentage of open spaces are maintained on campus.

FOOTBALL HOME GAME PARKING

Here’s what you should expect:
- Parking will be at a premium for all six home games: Sept. 12, Sept. 26, Oct. 17, Oct. 24, Nov. 14, Nov. 28.
- All campus entrances close five (5) hours prior to kickoff, except for two: Main entrance off University City Blvd., and East entrance off John Kirk Rd.
- Game day entrances open to game day permit holders four (4) hours prior to kickoff at the designated entrance for their permit.
- On the Monday prior to a game day, signs are placed in all tailgating lots and parking decks notifying of closure for football parking.
- Vehicles parked in football parking areas after midnight before a game day will be towed at the owner’s expense.

ALL game parking requires a specific game day permit.
- Single game day permits available online for Union, West, North and CRI decks at uncc.clickandpark.com
- Cash parking in Cone Deck (Pink), $20 per vehicle.
- ADA parking permits will be available through Click and Park for CRI Deck. Both an Orange CRI ADA game day permit and a state-issued disability placard must be presented for admittance.
- Parking permits will be scanned or collected upon entry to the parking area; reentry is not permitted.

Student tailgating and parking
- Student tailgating is in designated student lots and available on a first-come, first-served basis.

continued next page
To obtain a student tailgating permit, go to uncclckandpark.com the Tuesday before game day, using your student ID number as a validation code. There is no charge for a student tailgating permit.

Tailgating areas may vary for evening games. Check website for updates.

Students who do not have a UNCC parking permit are required to park in East 1 Visitor Deck or South Village Deck and pay the associated Visitor fee.

Students needing ADA parking may obtain an Orange ADA permit for CRI Deck in lieu of the Navy tailgating permit. Only one permit will be issued per game. Both an Orange CRI Deck ADA permit and a state-issued disability placard must be presented for admittance.

Non-football parking information

- East Deck 2, East Deck 3 and South Village Deck are open to those with valid UNCC parking permits who are not attending the game.
- Faculty/Staff, Commuter or Resident permits are not valid in decks or lots designated for football parking.

PARKING AND TRANSPORTATION SERVICES AND THE UNIVERSITY GAIN NO FINANCIAL BENEFIT FROM CITATION FINES

The 20% that UNC Charlotte is allowed to keep is earmarked to cover operating costs for citation collections. Unfortunately, the cost of the enforcement and collections program significantly exceeds this amount.

Will I lose my parking privileges if I get too many tickets?
PaTS has the authority to boot or tow a vehicle if citations total four (4) or more, if the combination of unpaid deck vouchers and citations totals seven (7) or more, or if unpaid fees or fines is $250 or more. In those cases, parking privileges are revoked and the vehicle is on a Tow List until the account is cleared.

I wasn’t driving my car at the time of the citation. Do I have to pay it?
The person to whom a permit is issued is responsible for any violations that occur while the car is parked on campus.
NINER TRANSIT BUS SERVICE

Niner Transit buses are fare free! Buses run every day except holidays when the University is closed. See website for modified schedules during class breaks, holidays and summer sessions.

TRANSPORTATION TRACKING

UNCC NextRide provides real-time transit feeds for campus buses and Niner Paratransit.

Live Tracking
- GPS tracking map shows the current location of all vehicles with color-coded route, stop and vehicle icons.

Mobile Apps
- View bus locations and arrival information in real-time using a FREE mobile app (Android and iOS).

Text Messaging
- Receive SMS text messages showing the arrival time estimates for each bus stop. See website for instructions: pats.uncc.edu/nextride mobile web: nextride.uncc.edu

DISABILITY TRANSPORTATION

Niner Paratransit offers service via multiple hubs
Monday - Friday ............... 6:30 a.m. - 12 a.m.
Niner Paratransit service provides disability transport throughout campus for those with ongoing mobility impairments who have registered for the service. Preregistration required. Medical verification request form found at pats.uncc.edu/paratransit

Niner Paratransit is also available to those who need assistance on a temporary basis, such as recent surgery, lower limb injuries, visual impairments, or chronic diseases that impact mobility. This is also arranged through the Office of Disability Services, Fretwell 230 (704-687-4355). After completion of the required form, Disability Services will verify and send email confirmation of eligibility, usually processed within 24 hours.

There are over 50 pick-up/drop off locations all over campus, including administration, academic, residence buildings and near parking decks. A complete list of pick-up and drop off locations is on the website.

Paratransit is not emergency transport; call 911 for ambulance service. Does not run when campus is closed. Hours may change during exam weeks. Hours and pick-up locations may change due to construction closures and detours. Updates on the website and Twitter @uncp transparking.

PARKING TIPS FOR COMMUTERS

- UNC Charlotte has nearly 30,000 students and 5,000 employees with most classes scheduled between 9:30 a.m. and 12:30 p.m. Parking on campus is not like parking at a shopping center. It’s more like parking at the airport.
- Does your apartment complex have a shuttle? TAKE IT! Why drive to campus and park if you don’t have to?
- Parking demand is exceptionally high during the first two weeks of fall semester. Brace yourself!

THINK LIKE THE EARLY BIRD
Arrive on campus by 8:45 a.m.

THINK AHEAD!
See how full parking decks are BEFORE you get to campus. parkingavailability.uncc.edu will help you plan where to park.

Catch the bus!
Niner Transit buses have a wait time of eight minutes or less. Buses run seven days a week until 2 a.m. The UNCCNextRide app will show you bus locations and tell you when the next bus should arrive.

— OR —
Take a bike or e-scooter! Gotcha Mobility has 100 bikes and 40 e-scooters to take you around.

THINK OUTSIDE THE CAR!
Getting around campus has never been easier!
