**PARKING TIPS**

**There is no free parking**

Parking on campus requires a permit (virtual or physical) or payment of visitor parking fees whenever the University is open, weekdays from 5 a.m. Monday until 10 p.m. Friday.

**Parking is always tight at the beginning of each semester**

Parking can reach near capacity during the first two weeks of the semester when nearly EVERYONE is on campus, attending class, buying books, paying tuition, etc. By the third week of classes, traffic and parking patterns settle down.

**This year, parking availability close to the academic center will be in especially short supply**

This is primarily due to the demolition of lots closest to the Student Union which will make way for a new Health and Wellness Center and expansion of the Union Deck. When the Union Deck expansion is complete (Summer 2018) demand should ease in the area.

- Expect decks and lots closest to the center of campus to fill quickly.
- Most classes are scheduled from about 9 a.m. to 2 p.m., Monday – Thursday.
- Peak parking demand occurs during that time. Everyone wants to park as close as they can to main classroom buildings so competition for close-in parking is stiff.

**Parking areas that fill up earliest are:**

- East Deck 2
- Union Deck
- West Deck
- Lot 7 (between Cone Deck and Belk Gym)

**During peak class times, it’s usually faster and easier to park farther out and walk or take a campus bus to academic areas**

- The campus bus system is all new for 2017-18. Expect more, larger buses and shorter wait times.
- Time it takes to take the bus from farthest decks (North, South Village and CRI) to academic center including average wait time: 7-8 minutes; walk time: 10-15+ minutes.
- UNC Charlotte has sufficient parking even during peak-use hours, with ample parking typically available in areas away from the center of campus.
- Have a plan in mind for an alternate parking area if your first choice is full.
- Do a practice run. Park at a lesser-used parking deck or lot (like North Deck, South Village Deck or Lot 6) and locate the nearest bus stop. Then you’ll know exactly where to park and where to catch the bus if you don’t wish to walk.
- After you see how easy it is to get from where you’ve parked to where you’re going, it will be easy and familiar to park there on days when your favorite parking is full.
- There’s NO REASON to park illegally in a full lot or deck and risk getting a citation.
- There’s NO REASON to drive around a deck until you are late for class. When a deck is full, it will likely stay that way for at least an hour, probably longer.
TRAFFIC TIPS

Peak traffic times are 7:45 a.m. – 9:15 a.m. and 5 p.m. – 6 p.m.

PARK ONCE! Driving from one area of campus to another makes traffic worse. It’s easier and usually faster to take the campus bus, walk, or bike.

- If leaving campus between 5 and 6 p.m., avoid exiting to John Kirk Drive by way of Van Ladingham Rd. near Fretwell. Try using Mary Alexander Rd. to Mallard Creek Church Rd. or the bottom level of East Deck 2 that exits directly to Rt. 49 South (University City Blvd).
- If arriving on campus between 5 and 6 p.m., avoid the John Kirk Drive entrance at Van Ladingham Rd., near Fretwell. Enter campus by using Cameron Blvd., the front entrance, Mary Alexander Rd., or the bottom level of East Deck 2 from 49 South (University City Blvd).
- Pedestrians have the right-of-way at all crosswalks on campus unless there is a traffic signal, which takes precedence. The traffic circle at Mary Alexander and Van Ladingham Roads and the crosswalk in front of the Student Union are controlled by a traffic signal, which must be obeyed by both pedestrian and vehicular traffic.

VIRTUAL PARKING PERMITS

Permission to park is virtual and verified through license plate recognition or LPR. Based on the type of permit you buy, parking privileges are assigned to your UNCCMyPark account, and verified through vehicle license plate information. Additionally, your 49er ID card serves as a secondary credential.

REGULAR PERMIT FEES

- $450 . . . Full year beginning with fall semester
  (Faculty/Staff and Student)
- $195 . . . Two day Commuter, per semester (either M/W, T/Th or other two-day combination)
- $280 . . . Partial year beginning spring semester (F/S and Student)
- $150 . . . Night Students, per semester
  (Fall, Spring and Summer)
- $185 . . . Partial year beginning summer term (F/S and Student)
- $150 . . . Premium gate access (Faculty & Staff)

DISCOUNT REMOTE PARKING

Money-saving options for Commuters and Faculty/Staff who are willing to park farther out. Quantities limited.

- $340 . . . Discount Remote Parking Lot 6A,
- $210 . . . Discount Remote Parking Lot 27

MOTORCYCLE/MOPED PERMITS

Motorcycles and mopeds parking on campus must be registered with PaTS and will receive a virtual permit linked to the vehicle’s license plate. The permit allows parking in designated motorcycle/moped spaces.

- $115 . . . Full academic year in designated
  moped/motorcycle parking.
- $70 . . . Partial year beginning spring semester in
designated moped/motorcycle parking.
- $45 . . . Partial year beginning summer term in
designated moped/motorcycle parking spaces

Motorcycle/moped parking spaces are indicated on parking map with a brown icon.

If you prefer to park in a standard parking space, a virtual permit must be purchased. More in Permit FAQs section.
VIRTUAL PERMIT TYPES
Each virtual permit has corresponding permissions that assign where and when the vehicle may park. The permissions are linked to the owner's account and verified via state-issued license plate and 49er ID Card.

Commuter
Available only to Commuter students
Permit is valid on campus 24 hours a day, seven days a week in all yellow and orange color coded areas. Access granted in Lot 15 and Cone Deck at 6 p.m..

Two-Day Commuter Permit
Available only to Commuter students
An economical option for Commuters who are only required to be on campus two days a week. Valid for one semester, only on the days specified, in all yellow and orange color coded areas. On all other weekdays, these Commuters must pay to park in Visitor Decks or at meters, even after 6 p.m.

Night
Available only to Faculty/Staff and Commuter students
Night permits are valid only after 3 p.m. in all yellow and orange color coded areas. Access granted in CRI Deck 1 at 3 p.m. and Lot 15 and Cone Deck at 6 p.m.

Resident
Available only to on-campus resident students
Resident permit is valid 24/7 in all blue and orange color coded areas. Access granted in Lot 15, Cone Deck and CRI Deck and the lower level of Union Deck at 6 p.m.

Greek Village
Available only to residents assigned to Greek Village
Greek Village permit is valid 24/7 in Greek Village and orange color coded areas. Access granted in Lot 15, Cone Deck and CRI Deck 1 at 6 p.m.

Lot 6A
Available only to Faculty/Staff and Commuter students
6A permit is valid 24/7 in parking Lot 6A on Cameron Blvd. (by John Kirk Rd.). This is a discounted lot served by the Silver campus bus. On holidays/breaks when bus does not run, vehicles with 6A permits are allowed to park in areas designated for Commuter permits.

Lot 27
Available only to Faculty/Staff and Commuter students
Lot 27 permit is valid 24/7 in parking Lot 27 on Toby Creek Road near the Harris Alumni House. Lot 27 is a walk-in discounted parking lot, not served by campus buses. (There is a bus stop on Alumni Way near the Harris Alumni House, slightly over 1/10 mile walk).

Faculty/Staff
Available only to Faculty/Staff
Faculty/Staff permits are valid on campus 24/7 in green Faculty/Staff lots, yellow and orange Commuter areas, and blue Resident-designated lots except Lot 16.

Faculty/Staff gated parking access is granted only to those who have also paid for premium gated F/S access.
Faculty Staff Center City parking privileges are available online to F/S working at CCB. This must be requested at time of purchase.

STUDENT PARKING AT CENTER CITY BUILDING (CCB)
Parking at UNC Charlotte Center City requires specific parking credentials which may only be purchased by students registered for classes there. Type of permit required is determined by class schedule as listed in Banner.

Unlike main campus, a physical permit is required to park at Center City.
Center City campus does not have separate parking dedicated to the building. The University has negotiated an arrangement with Preferred Parking, Inc., operator of the closest surrounding lots, for Faculty/Staff and Student parking. Parking location is currently 319 E. 9th St., which may change during construction of a new parking deck that should be completed by spring semester, 2018.

This year, all Center City permits are correspondingly valid on main campus.

Center City Full Time Permits
Center City Commuter annual permit ........................................ $450
This is a full-time permit, valid at Center City, weekdays, 6:30 a.m. - 11 p.m. and also valid as a regular full time permit on main campus. If you have classes at both locations, you only need to buy one permit. Center City privileges will update each semester based on class schedule.

Resident students may purchase a CCB permit or add CCB credentials to an R permit if they have CCB classes.

Center City Commuter Fall or Spring semester .............................. $280
Center City Commuter Summer .............................................. $185
Center City Commuter Summer 1 session ................................ $110

Center City Night Commuter Permits
Valid at Center City nightly 3 p.m. - 11 p.m. and on main campus as a Night permit, 3 p.m. - 11 p.m.

Yearly beginning with Fall semester . $270
Privileges will update each semester based on class schedule

Fall or Spring or both Summer sessions ................................... $150
One Summer session only ..................................................... $90

Center City Two Day
Semester permit valid for two weekdays (6:30 a.m. - 11:00 p.m.) as selected at time of purchase. Valid on main campus for those same two selected weekdays.

Two day Commuter, per semester . $195

PARKING ENFORCEMENT AT CENTER CITY IS UNDER THE ADMINISTRATION OF PREFERRED PARKING, INC. PATS HAS NO ENFORCEMENT OR APPEALS AUTHORITY OVER CCB PARKING.

DISABILITY PARKING
Both UNC Charlotte virtual parking permit credentials and disability placard are required in ADA spaces in all decks and lots. Payment at meters and Visitor areas is still required with a placard.

ADA Parking at Center City is currently provided by Preferred Parking, Inc., in the 625 N. Brevard Street lot.* Both a UNCC parking permit and disability placard required.

Disability placards are registered to people, not vehicles. It is unlawful to use a placard not registered to you.

*Due to construction of a parking deck and light rail expansion, parking at Center City Bldg. is subject to change. Check pats.uncc.edu for updates.
What if I have to wait on a financial aid refund until I can buy a permit?

If online access is not readily available, you can always contact our PaTS Communication Center at 704-687-0161 and they can assist with updating your account.

What should I do if I temporarily need to drive another car to class?

There are two ways to temporarily link your parking permissions to the license plate of a temporary vehicle (such as a rental car):
1. Call the PaTS Communication Center to temporarily add the vehicle to your account.
2. You may also add the temporary vehicle yourself through the UNCCMyPark account, as long as the following requirements are met:
   - The maximum number of vehicles on the account has not yet been reached;
   - The temporary vehicle is associated with the account holder as stated in Section 2-1(5) of the UNC Charlotte Parking Ordinance;
   - Temporary vehicle is not already linked to another account (if a student account).

If you’ve added the temporary vehicle information yourself, remember to remove it from your account when finished driving that vehicle. Otherwise, future parking citations/fees associated with the temporary vehicle may continue to be linked to your account.

Are there special permits for motorcycles and mopeds?

Motorcycles and mopeds also have virtual permits. They can be registered alone or may be added to a multi-vehicle permit, but only one vehicle registered to that permit is allowed on campus at a time. Please call 704-687-0161 or visit the PaTS Office for further details.

Are there special permits for carpools?

Yes, and every car in the carpool must be specifically registered as such with PaTS. Each carpool uses a single carpool virtual permit with multi vehicle registration. For more information about carpools, please visit or call 704-687-0161 for details. For those looking for carpool partners, ShareTheRideNC.org offers free carpool matching.

Can I still back into a parking space now that I have a virtual permit?

In order for license plate recognition enforcement to be effective, the system must be able to scan a vehicle’s state-issued license plate number. If your vehicle is registered in a state which provides both front and rear plates, you may continue to back in to a parking space so long as the front license plate is able to be clearly scanned by the LPR system.

If your vehicle is registered in a state which does not provide a front license plate, you would either park head-first in to a parking space, ensuring that the rear license plate is visible from the drive lane, or purchase a custom front license plate from PaTS. Proper display of the plate on the front of your vehicle would then allow you to continue to back in to your parking space.

Additional information regarding the purchase of a custom front license plate is available by contacting PaTS at 704-687-0161 or emailing pats@uncc.edu, subject line: “Custom Front License Plate Information Request”.

Can I add my roommate’s vehicle to my virtual permit account?

No one may register a vehicle not owned by that individual, their spouse, parent or guardian, or assigned to the individual by their employer (proof of employment required).

Am I permitted to register more than one vehicle on my account?

Yes. Faculty/Staff may register up to (3) vehicles on their account at any given time; students may register up to two. However, only one vehicle per account may be parked on campus at the same time (unless parked in a visitor parking area) and vehicle registration must comply with Parking Ordinance Section 2-1.
## Virtual Permit Types

| FS (Faculty/Staff no premium gated access) | Non-gated Green, Orange, Yellow, Blue except Lot 16 |

### Permit FAQ continued

**What determines the price of a virtual permit?**

The primary factor that determines permit price is the cost of new deck construction and replacing flat lots with decks. It’s expensive to build and maintain new parking facilities necessary to accommodate enrollment and demand. Existing surface lots make way for new buildings; those spaces must be replaced with decks.

**How are the proceeds from permits spent?**

The majority of the permit proceeds and Visitor Parking fees goes toward:

- Construction of new decks
- Paying debt on existing decks
- Repairs and maintenance of all decks and lots

A small percentage is used for operations such as:

- Utilities to light the decks and lots
- Trash collection
- Technology to enhance the customer experience
- Personnel

*Learn more: pats.uncc.edu/truth*

**Is it true that more permits are sold than the University has spaces?**

Yes, here’s why: if permits were sold on a one-to-one-ratio, thousands of students would be denied the privilege to park while lots and decks would sit half empty. Few students occupy a space for more than 5 or 6 hours a day. Also, not everyone has classes or works here daily. Therefore, parking spaces turn over constantly. Sure, convenient, close-in parking is at a premium during weekday hours, but so far, PaTS has managed to maintain an acceptable percentage of open spaces most of the time. That’s why drastic measures like permit sale limits and excluding freshmen residents from having cars have, so far, been avoided.

### NEED TO PARK NEAR A BUILDING TO LOAD OR UNLOAD?

For short-term loading/unloading, call 704-687-0161 and give your vehicle info and location. In most cases, you will be given 15 minutes.
NINER TRANSIT BUS SERVICE

Campus buses are fare free.
UNC Charlotte’s bus system is ALL NEW for 2017-18! Service is greatly enhanced with more, larger buses that run every day except holidays when the University is closed. See website for modified schedules during class breaks.

GOLD LINE South Campus Loop
Connecting South Village to Foundation Bldg. to central and north campus
Monday - Friday ......................... 6 a.m. - 2:30 a.m.

TRANSPORTATION TRACKING

UNCC NextRide provides real-time transit feeds for campus bus and SafeRide para-transit through:
• Website/mobile site: nextride.uncc.edu
• Mobile app
• SMS text

Live Tracking
GPS tracking map shows the current location of all vehicles with color-coded route, stop and vehicle icons.

Mobile Apps
View bus locations and arrival information in real-time using a FREE mobile app (Android and iOS).

Text Messaging
The text message alert system allows users to receive SMS text messages showing the arrival time estimates for each bus stop. See website for detailed instructions.
pats.uncc.edu/transportation/nextride

CATS ALL ACCESS PASS

When the LYNX Blue Line extension opens this academic year, students may ride on Charlotte Area Transit LYNX light rail and buses without having to pay a fare. An RFID chip in the 49er ID Card has an embedded app for CATS systems.

To ride light rail, students simply tap their 49er ID Card at a contactless reader installed in each rail car when boarding and tap again when they disembark.

For CATS buses, students need only to tap their 49er ID Card on the contactless card reader on the fare box upon entering a bus. Faculty and Staff will have the option to purchase CATS All Access privileges annually, for $75. More information will post at pats.uncc.edu/transportation.

The LYNX Blue Line extension will connect from I-485 in South Charlotte through Uptown, to UNC Charlotte Center City Building and CRI Campus, terminating near North Deck.

Find out more: lightrail.uncc.edu

All Access Pass privileges activate when light rail expansion to campus opens.

Take advantage of transportation options and discounts!
There are many ways to get from campus to around the city, state and country:
• Charlotte Area Transit offers the Airport Sprinter.
• Amtrak has a station in Charlotte. Amtrak also offers ticket discounts to students.
• From the Greyhound station at 601 W. Trade St., The Mountaineer N/S (Sunway) runs daily to Boone, NC and Greyhound and Trailways run daily to Wilmington, N.C.

More information at pats.uncc.edu/transportation

pats.uncc.edu/campus-bus
**BIKE LOCKERS**

Bike lockers are located in CRI, North and South Village parking decks and Lot 27.
- Bicycle lockers are available to current students, faculty and staff
- Bicycle lockers are supplied at no charge to those with a valid full year UNC Charlotte parking permit
- There is a $15 per semester or $40 per year charge to those who do not have a valid, full year UNCC parking permit
- Rent by the semester or academic year

More information: [pats.uncc.edu/transportation](http://pats.uncc.edu/transportation)

---

**BIKE SHARING**

*Charlotte Wheels bike share through Gotcha Bikes!*

One hundred bikes in ten locations for all to use and enjoy!

**Charlotte Wheels rack locations:**
- Cameron Blvd. and Poplar Lane
- Martin
- Lot 5
- East Deck 2
- Fretwell and McEniry
- Smith/Prospector
- Popp Martin Student Union
- Belk Gym
- South Village Crossing
- Grigg/EPIC

Information about how to establish an account and use the bikes at [gotchabike.com/charlottewheels](http://gotchabike.com/charlottewheels).

---

**CAR SHARING**

Get a car to use when you need it!
- Gas, insurance, maintenance and 180 miles/day are included!
- Cars are self-service and on-demand; keys are inside!
- Four cars are parked and ready to go in two campus locations.
- UNC Charlotte students, faculty, and staff join for only $25* and get $35 in driving credit.
- Reservations start at $7.50/hour and $69 per day.

*First annual fee is discounted by $10. Subsequent annual fees are $35.

Here’s what you can expect:

- Parking on campus will be at a premium for all six football home games (Sept. 16, Sept. 23, Oct. 7, Oct. 21, Nov. 11, Nov. 25).
- All entrances to campus will be closed five (5) hours prior to kickoff, except for two: Main entrance off University City Blvd. and East entrance off John Kirk Rd.
- Game day entrances will be opened four (4) hours prior to kickoff only to game day permit holders at the designated entrance for their permit.
- On the Monday prior to a game day, signs will be placed in all tailgating lots and parking decks as notification that those lots and decks will close for football parking.
- Vehicles parked in lots designated for football parking after midnight before a game day will be towed at owner’s expense.

All parking for the game will require a specific game day parking permit

- Single game day permits will be available online for Union Deck, West Deck, North Deck, CRI Deck and Lot 5 at uncc.clickandpark.com
- Cash parking will be available in Cone Deck (Pink) for $20 per vehicle.
- ADA parking permits will be available through Click and Park for CRI Deck. (Both an Orange CRI ADA game day permit and a state-issued disability placard must be presented for admittance.)
- Parking permits will be scanned or collected upon entry to the parking area; reentry is not permitted.

Student tailgating and parking

- Student tailgating is in designated student lots and available on a first-come, first-served basis.
- Students must go online to Click and Park, the Tuesday prior to game day, to obtain a student tailgating permit using their student ID number as a validation code. There is no charge for a student tailgating permit.
- When student tailgating permits are issued to capacity, students must park in South Village Deck using their UNCC student parking permit.

- Students who do not have a UNCC parking permit will be required to park in East 1 Visitor Deck or South Village Deck and pay the associated Visitor fee.
- Students needing ADA parking may obtain an Orange ADA permit for CRI Deck in lieu of the Silver tailgating permit. (Only one permit will be issued per game; you can’t have both.) Both an Orange CRI Deck ADA permit and a state-issued disability placard must be presented for admittance.

Non-football parking information

- East Deck 2, East Deck 3, and South Village Deck will be open to those with a valid UNC Charlotte parking permit but are not attending the football game.
- Faculty/Staff, Commuter or Resident permits will not be valid in any parking decks or lots designated for football parking.
- Faculty/Staff reserved spaces in game day lots will be used for football parking for home games. Reserved spaces are not valid in football-designated lots on home game days.
- East Deck 1 and South Village Deck will be the non-game Visitor parking area. Gates will be down and established Visitor event rates will apply.

Additional information for resident students

- Resident Lots 25 and Lot 21 are designated for football parking. No other resident lots are affected.
- All vehicles parked in Lot 25 and Lot 21 must be moved by midnight the evening before a home game. Vehicles not moved will be towed at the owner’s expense. Alternate parking is any other R-designated Lot or Deck.
- Tell friends/relatives who plan to visit you during home football game days that they will be required to park in East Deck 1 or South Village Deck visitor parking unless they have a game day permit or park in the cash lot at Cone Center. Those who park in East Deck 1 or South Village Deck will need to pay appropriate Visitor fees. Please note that special rates may apply, including on weekend home game days.

pats.uncc.edu/football-parking

**DISABILITY TRANSPORTATION**

Monday – Friday. 7:30 a.m. to 2 a.m.

Niner Paratransit service provides disability transport throughout campus for those with ongoing mobility impairments who have registered for the service. Services require preregistration. The medical verification request form can be found at pats.uncc.edu/paratransit.

Niner Paratransit is also available to those who need assistance on a temporary basis (such as recent surgery, lower limb injuries, visual impairments, or chronic diseases that impact mobility). This is also arranged through the Office of Disability Services, Fretwell 230 (704-687-4355). After completion of the required form, Disability Services will verify and send email confirmation of eligibility (usually processed within 24 hours or less).

There are over 50 pick-up/drop off locations all over campus, including administration, academic, residence buildings and near parking decks. A complete list of pick-up and drop off locations is on our website. Paratransit does not run with campus is closed. Hours and pick-up locations may change in response to construction closures and detours. Updates on the website and through Twitter, @unccparking.

Removing, breaking or forcing open gate or tampering with LPR cameras. .......... $80
Removing or tampering with immobilization device (boot). .......... $80
Parking in reserved space, tow-away zone or fire lane . . $150
Parking in/blocking access to a space or accessibility ramp for the disabled . . . . $250
Forged, altered or stolen credential or permit . . $450

What if I don’t agree with the citation?
A written appeal must be filed within ten (10) business days. Form is available at pats.uncc.edu/citations and may be submitted online or in person. Please allow 24 hours from time of issuance to file appeal. All appeals are read and considered; decisions are emailed.

How are the proceeds from citations spent?
According to North Carolina law, the University is only allowed to retain 20% of the money collected from parking citations. The remaining 80% must be remitted to the state to support local public schools (elementary, middle and high schools).

The 20% that UNC Charlotte is allowed to keep is earmarked to cover operating costs for citation collections. Unfortunately, the cost of the enforcement and collections program significantly exceeds this amount.

Can I park at a malfunctioning meter?
Sorry, no, you may get a ticket for that. Move your vehicle to another meter and please report the malfunction to Parking and Transportation Services, 704-687-0161.

Will I lose my parking privileges if I get too many tickets?
PaTS has the authority to boot or tow a vehicle if citations total four (4) or more, if the combination of unpaid deck vouchers and citations totals seven (7) or more, or if unpaid fees or fines is $250 or more. In those cases, parking privileges are revoked and the vehicle is on a Tow List until the account is cleared.

I wasn’t driving my car at the time of the citation. Do I have to pay?
The person to whom a permit is issued is responsible for any violations that occur while the car is parked on campus.

Citation FAQ

Where do I pay citations?

Citations may be paid online, by mail, or in person at the PaTS Office. The first citation in an academic year, if paid within 10 business days from date of issue, is automatically reduced by 50% unless citation was for:
- forged, altered or stolen credential or physical permit
- failure to pay visitor parking fee
- parking in or blocking access to space or accessibility ramp for the disabled.

All subsequent penalties must be paid at full value.
