Thank you for purchasing a virtual parking permit.
Based on the type of permit you bought, parking privileges are assigned to your UNCC MyPark account, and verified through vehicle license plate information. Additionally, your 4th ID card serves as a secondary credential.

PERMIT REGULATIONS
• Permits are required at all times.
• Permits are valid only for vehicle(s) registered to the permit. If your second vehicle is a motorcycle, only one vehicle may park on campus at a time.
• Permits are not valid at meters or Visitor parking areas; payment is required.
• If you change your vehicle, PaTS must be notified with license plate number, model and make of the new vehicle through the UNCC MyPark app, in person or by phone.
• If you drive a substitute vehicle temporarily (such as a rental car) you must link parking permissions to the license plate of a temporary vehicle. You can:
  1. Call the PaTS Communication Center to temporarily add the vehicle to your account, or
  2. You may also add the temporary vehicle yourself through the UNCC MyPark account, if the following requirements are met:
     • The maximum number of vehicles on the account has not yet been reached;
     • The temporary vehicle is associated with the account holder as stated in Section 2-1(5) of the UNC Charlotte Parking Ordinance;
     • Temporary vehicle is not already linked to another account (if a student account).

NOTE: If you’ve added the temporary vehicle information yourself, remember to remove it from your account when finished driving that vehicle. Otherwise, future parking citations related to the temporary vehicle may continue to be linked to your account.

Finding a space
Peak demand is from 9 a.m.-2 p.m. Mon.-Thu. Save time by parking in the 319 E. 9th Street lot, provided through an arrangement with Preferred Parking, Inc. Location will change during 2018-2019 academic year when Preferred Parking’s new parking deck opens. Updates and disability placard required.

PARKING AT CENTER CITY BUILDING
Unlike main campus, a physical permit is required to park at CCB. Faculty/staff and student parking at Center City Building is currently in the 319 E. 9th Street lot, provided through an arrangement with Preferred Parking, Inc. Location will change during 2018-2019 academic year when Preferred Parking’s new parking deck will open. CCB permits are correspondingly valid on main campus.

PARKING VIOLATIONS
• Full ordinances governing campus parking, complete violations list, and citation fees available at pats.uncc.edu.
• Vehicle operators must obey the instructions of any law officer, parking control officer, official traffic sign, or traffic control device.
• Violation of the University’s parking rules and regulations may result in the loss of parking privileges without refund.

Enforcement
• Virtual permits are required at all times.
• Vehicles must park in marked spaces at all times.
• Reserved spaces are enforced at all times.
• Meters are enforced at all times.

• failure to pay visitor parking fee
• parking in or blocking access to space or accessibility for the disabled.

All subsequent penalties must be paid at full value.

Appeals
• Citations may be appealed within 10 business days. Appeals are submitted online. Forms are also available in the PaTS office. Late appeals are not accepted.
• Appeals are considered if vehicle was not in violation at the time of the citation, and/or if any extenuating circumstances beyond the operator’s control placed the vehicle in violation.
• Appeals are answered via email to a uncc.edu account.

Failure to Pay Parking Fines
• Students: Citations are charged to the student’s University account. Failure to pay will result in denial of registration, suspension of transcripts or graduation.
• Faculty/Staff: Citations are deducted from payroll check.

Towing/Immobilization Policy
PaTS has the authority to boot or tow a vehicle if citations total four (4) or more, if the combination of unpaid deck vouchers and citations totals seven (7) or more, or if unpaid fees or fines are $250 or more. DISABILITY PARKING
Both UNCC virtual parking permit credentials and disability placards are required in ADA spaces in all decks and lots. Payment at meters and visitor areas is still required with a placard.

ADA Parking at Center City is provided by Preferred Parking, Inc. in the 625 N. Brevard Street lot.* Both a UNCC permit and disability placard required. Disability placards are registered to people, not vehicles. It is unlawful to use a placard not registered to you.

*Center City parking will change when Preferred Parking’s deck opens. Updates at pats.uncc.edu/center-city-parking.

PERMIT REFUNDS
• Prorated refunds are available for those who graduate mid-year or withdraw. Visit the PaTS office to deactivate your permit, confirm parking privilege cancellation and settle any outstanding fees on account; refund for the remaining value will then be issued.
• Night permits may not be refunded after the second week of class that semester.
• Refund schedule at pats.uncc.edu/refunds.
